Freedom, national; Slavery, sectional!

The NEXT Great Fraud!

Shall it be Successful?

All intelligent and thoughtful readers have watched with painful anxiety... step by step—the efforts of the so-called Democratic Administration to enslave Kansas, under the specious plea of "popular sovereignty."

press meets, but we hope not. Like the "unjust Judge" of Scripture, we hope they may do right, now, from whatever motive. They are sagacious men, and doubtless fear that this would for ever seal the fate of Democracy in the North.

How Kansas stands.

Gov. Walker is on his way to Washington (not to return as Governor.) See Stanton has "resigned," for a better-paying office. This leaves JOHN CALHOUN, Dictator of the Territory, with Cato and Leconte as Judges.

Storm, last Saturday. CINCINNATI, Nov. 23.—The steamboat Rainbow was burnt on Saturday morning, about ten miles above Napoleon, Arkansas. Fifty to seventy lives are reported to be lost, including all the officers of the boat.

CINCINNATI, Nov. 23.—The steamer Republic arrived at Louisville on Saturday, reports that sixteen coal boats were sunk during the storm on Wednesday last, in the Ohio and Mississippi rivers, near Cairo, by which it is estimated that one hundred lives were lost.

The steamer Gladiator reports other boats swamped and sunk as low down as New Madrid. Passengers from Evansville report the storm along the lower Ohio as terrible. None of the boats were able to run during its prevalence, and all had to lie up.

The steamer Baltimore, from Marietta, arrived last night, reports encountering a heavy gale at Parkersburg on Saturday. A severe gale prevailed here this morning, accompanied with rain, snow and hail.

HARVE DE GRACE, Nov. 23.—The steamer Juniata left here on Saturday evening, with a tow of 22 boats, and when off Spesutia Island, encountered a heavy gale of wind which broke the tow loose from the steamer, and scattered the boats over the bay in different directions.

St. CATHARINE'S, C.W., Nov. 21.—Snow fell here last evening to the depth of eighteen inches. The passenger trains of the Great Western Railway got through, but only at a very late hour. The freight trains struck in the drifts.

WASHINGTON, Nov. 21.—All last night the weather here was intensely cold, and ice of the thickness of an inch and a half was formed.

Important Foreign News. NEW YORK, Nov. 22.—The steamship Atlantic arrived this evening, with Liverpool dates to Wednesday, the 11th inst. The news embraces later advices from India, and the progress of the financial crisis.

The stringency in the money market continued unabated, and the Bank of England has again advanced the rate of discount 1 per cent, making the present rate 10 per cent.

Later advices have been received confirming the capture of Delhi. The garrison at Lucknow had been relieved by Gen. Havelock, just as the enemy were ready to blow it up. A large portion of the city had also been captured. Gen. Niel has been killed. The King of Delhi surrendered to the British troops, and his life had been spared. His two sons were shot.

The Atlantic Telegraph Company had decided to renew operations for the laying of the cable the latter part of June next, commencing at the middle of the Atlantic, as originally designed. Messrs. Glass & Elliott had commenced the construction of additional cable, making three thousand miles in all. Easton & Ames were building new paying out machines.

The financial pressure had reached Sweden and Norway. The Bank of Frankfurt and the Bank of Prussia had raised the rate of discount 74 per cent. Shortly after he got on the green, he paid it over to a farmer. The farmer soon discharged an indebtedness to some one else, and thus the note kept on its mission of liquidation until near the heel of the evening, when it was again paid back to the same merchant who took it there, and he brought it back to Frederickburg. Having the curiosity to trace its workings, he found that \$1,000 worth of debts had been paid by that \$100 note on a single day!

UNDERGROUND RAILROAD.—This road is doing a glorious business. Thirty-one passengers have come to the depot in this city this month. Two arrived Thursday evening. One of them was white as anybody, and nobody could suspect his African descent. He was from Columbia, S. C. The other was a native of Alabama, who had been sold to Virginia where he escaped.—[Albany Journal.]

HORRIBLE.—The Marango (Iowa) Visitor says that a young child, but six years of age, died with delirium tremens at "Brush Run." The father, a short time since, was sent to jail for selling whiskey, and during his incarceration his wife made whiskey "meat and drink" for herself and child. The wife finally fell down stairs and killed herself, and the child was shortly after attacked with all the symptoms of delirium tremens, with which it died.

PITTSBURG, Nov. 23.—The action of the Criminal Court in sentencing to death Charlotte Jones, Monroe Stewart and Henry Fife, for the murders at McKeesport, has been affirmed by the Supreme Court, in session here.

John Henry Ruble, son of John Ruble of Granville Tp. Mifflin Co., fell from the mow of his father's barn on the 10th inst., and injured himself to such an extent as to occasion his death on the 13th.

NEW YORK, Nov. 21.—James Rogers, the young man who was recently convicted of murder in the first degree, was to-day sentenced to be hung.

St. LOUIS, Nov. 21.—Gov. Walker, of Kansas, arrived here this evening on his way to Washington.

Letter from Judge Wilnot.

[The following, from Judge WILNOT to the Editor of the Erie Constitution, is one of the most beautiful and eloquent letters we have read in a long time. It was not written for publication, but does credit to the head and heart of its gifted author.]

TOWANDA, Oct. 31, 1857. R. LYLE WHITE, Esq.—Dear Sir: The battle is not lost, nor ordinarily estimate results. It will discourage the weak and doubting. The veal will seek shelter in the camp of the enemy. The men of courage and faith will stand firm, with confidence unshaken in the final triumph of the Right. Courage and perseverance are qualities essential in a conflict with Error and Wrong—these, with untiring activity, are the elements of success in all great revolutions.

I look to the future with unshaken confidence. Liberty can not be crushed out in this age and country. Oppression has no charter from God. The Tyrant that now exalts in power, and defiantly assails not only the constitutional rights of American citizenship, but the God-given rights of man, shall soon fall a lifeless and loathsome corpse under the persevering and courageous assaults of truth.

The mere politician believes in the potency of great interests. He scoffs at the idea, that any other than selfish motives influences the actions of men. This is an insult both to God and man. Truth and justice are mightier than Selfishness and Wrong. The Heroes and Martyrs of our race, attest the nobleness of Humanity. Men are capable of the highest motives, and the most loyal steadfastness to principle. Truth is never silent, but pleads ever, with irresistible persuasiveness and power. There is a strength in a noble, self-sacrificing disinterestedness, battling in a just cause, that can not be overcome. All the great moral forces of nature are working unceasingly on the side of Right. In the struggle of life, we acquire strength in overcoming the obstacles that beset our path. Disasters test the constancy and courage of parties as men. In the nature of things, reverses must come, but if we are true to the cause of Freedom and humanity, our triumph is certain. Nor will the day be long postponed. Oppression, injustice, and wrong, can not stand against righteousness and truth—if so, omnipotence is dethroned—then is the earth a province of the Evil One, and man the helpless victim of his malignity.

In the hour of disaster and defeat, we must preserve an abiding faith in rectitude, and in the living energies of Truth. We must never despond, nor weary in the performance of our high duties. There is nothing in the result of the late election that should for a moment dishearten our hopes or relax our efforts. It has not changed the essential nature of things—it has not made the Wrong Right—it is beyond the power of a majority. Majorities can not make the rulers of to-day, but they can not make oppression just; nor eradicate from the heart of men hatred of the oppressor. They may uphold, for a time, violence and fraud, by the strong arm of military power; but they can not lawfully take from man the rights with which his Maker invested him. Not a stone in the citadel of our strength has been thrown down; we will stand on the impregnable rock of truth. The tyranny, outrage, and wrong, against which we protest, is in no degree extenuated by the majority given against us. Oppression has gained a new lease of power, but not an iota of sanction for its cruelty and injustice. Let us renew our vows to Freedom, and gain strength for future conflict by detesting ourselves of every selfish and ignoble desire.
